## Announcement of Transfer of Optical Communication Business

To cope with drastically changing markets, Namiki Group has been proceeding with the restructuring and consolidation of its businesses. It was decided that as of April 1, 2008, the optical communication business of Namiki Precision Jewel Co., Ltd. would be transferred to Adamant Kogyo Co., Ltd., one of the group companies.

Having developed a business focusing on optical communication components, such as ferrules, the key part for optical fiber connectors, Adamant Kogyo Co., Ltd. has been active in the optical communications field. Consolidating the optical communication businesses within the group to Adamant Kogyo Co., Ltd. will enhance the group's optical communication business through a more competitive organizational structure.

We appreciate the long years of support for Namiki Precision Jewel Co., Ltd by our loyal customers and look forward to serving them with the same quality and care at Adamant Kogyo Co., Ltd.
